\*Courses in the first semester constitute the prerequisite courses required for application to the ADN program. These courses may also be used to apply to the PN program. All courses must be successfully completed with a grade of "C" or higher. These courses are included in the total credit amount for award of the AAS degree in Nursing. Human Anatomy and Physiology I may be substituted for PNE 155 in the PN curriculum.

\*\*Courses in the second semester of the Pre-Nursing CSC will provide the opportunity for the student to be admitted on either the ADN or PN programs with guaranteed admission.
